POSITION: SITE SUPERINTENDENT

Due to continued growth, we have an exceptional opportunity for a **SITE SUPERINTENDENT** to join our project team of general contracting professionals. This position will be pivotal in supervising and coordinating all on-site project activities in relation to all scopes of work for concrete high-rise and commercial construction projects in and around Edmonton.

The Site Superintendent will be responsible for the supervision of all construction activities that take place on the work site, ensuring consistently high standards of workmanship, safety and efficiency. The Site Superintendent will be responsible for the management and coordination of all on-site construction workers, trades and deliveries, ensuring enforcement of all required safety and work regulation policies. The Site Superintendent shall ensure the efficient use of labour, machines and materials by their crews and will regularly provide management with reports on manpower, schedule, costs and safety. Other responsibilities will include the planning and scheduling of work, material orders in accordance with policy and requirements, maintenance of records for all materials and deliveries used and the progress made on the job.

While this job is mainly a position of supervision and management, the Site Superintendent may be required from time to time to assist in construction work including rough carpentry to deficiency repairs.

Pagnotta Industries, Inc. offers a competitive compensation package which includes a comprehensive benefits program.

Please remit your resume in confidence to the attention of the **Human Resources Manager** referencing **SITE SUPERINTENDENT** in the subject line. Please note, only those candidates selected for interview will be contacted. This position will remain open until a suitable candidate is found.
